

# Health + Safety Policy

## Welcome to You + Me Studio!

You + Me Studio is committed to protecting the health and safety of our clients, their patrons, and the community.

### Communicable Disease Prevention Plan

You + Me Studio's communicable disease prevention plan follows current Provincial Health Officer (PHO) orders and will be updated to include any measures required as communicated by provincial or regional health authorities.

#### Studio Commitment

To support a communicable disease prevention plan:

- + The studio is cleaned and sanitized after each event booking.
- + Cleaning supplies are available to clients during their event booking to refresh high contact surface areas, such as the kitchenette, washroom, and door handles.
- + The studio washroom and kitchenette are set up to support proper handwashing practices including hot water, hand soap and paper towel.
- + Hand sanitizer and masks are available for use by clients and their patrons upon entering the studio.
- + Clients who are feeling unwell are asked to cancel their booking and You + Me Studio will do their best to accommodate a rescheduling of their booking.

#### Simply Put

In support of good health, You + Me Studio has implemented sanitizing and cleaning processes in the studio.

Cleaning supplies as well as hand sanitizer and masks are available for your use.

Regular hand washing is encouraged.

If you are feeling unwell, please call us to rebook your event.

#### Client Responsibility

Clients are responsible for being aware of any active Provincial Health Officer orders and implement any health and safety protocols required in the studio for their event booking. Information on the requirements can be found [HERE](#).

#### Simply Put

Be sure to find out if any health and safety protocols are required to be in place for your event.

Effective Date: April 08, 2022
